Give the actually state of the program (where the program stands at the date of the activity report, no more than ten lines):
The Mechina students volunteer at four places, on a regular basis:
1. Volunteer at Old age home: every other week our students go to activities in Moshav Even Shmuel, where the old-age home is located. They spend two hours with the elderly playing games, learning and talking.
2. Volunteer at the schools: once a week our students go to activities at the schools in the area, they learn together the weekly torah portion, play games and talk.
3. KKL-JNF’s natural sites in the area of the Shafir Regional Council: once a week our students

The main achievements during the last year of activity (main achievements, number of events, number of participants, etc.):
The main achievements are the participation of our student in such projects. You have to understand that our students come with a very low level of values. And in the Mechina they learn the importance of giving to another.
1. Volunteer at Old age home: 10 routine visits, 17 participants.
2. Volunteer at the schools: 13 routine activities, 26 participants.
3. Volunteer at the KKL-JNF's natural sites: 10 routine visits, 45 participants.

The evaluation (methodology, results, comparisons with the precedent year, conclusions for the future...):

**We added another kind of volunteer project, but still not all students participate in the volunteer project some explain it by not wanting to volunteer, so we are currently thinking of adding different types of volunteer projects next year.**

Provisional guide lines for the advancement of the program in the next year: **we are currently thinking of adding different types of volunteer projects next year' so all students will find a way to volunteer.**
