#### :Evaluation Report

Regretfully, we did not conduct any external evaluations on our activities. Massive demand to participate in the program and lack of sufficient funds and staff made it impossible so far to use resources for the purpose of evaluation. However, the following results prove our programs' :effectiveness

Number of employees recruited by our participants	Amount of money raised	Number of digital visitors in KamaTech's Facebook page	Percent of participants completed the program	Number of participants	Number of entrepreneurs who registered to our programs	Name of program

### **:Financial Report**

Please find KamaTech's financial report in a separate Excel document attached. The expenditures of the entire Accelerator program are in the Entrepreneurship program

Up-to-date, the Matanel Foundation granted \$35,000 (\$5,000/person) for 7 Haredi entrepreneurs who participated in the Accelerator program this year and helped develop and promote their technological enterprises. Additional foundations, private donors and Hi-Tech companies fund the rest of our program expenses

### **:List of participants in each of our activities**

Hi-Tech Entrepreneurs who participated in our 15 lectures in 2016-17: we had 1,205 beginning entrepreneurs who participated in these workshops. Please let us know if we shall send you a detailed list of our participants
