**Give the actual state of the program (where the program stands at the date of the activity report, no more than ten lines):**

- a. *A Warm Home for Every Soldier* provided food stamps for 140 families of combat soldiers from disadvantaged backgrounds. The value of food stamps was of 350-500 NIS, based on the family's size, number of persons and the socio-economic situation. Families of soldiers serving in combat units received it prior to Passover, so they could celebrate the holiday in dignity.

**The main achievements during the last year of activity (main achievements, number of events, number of participants, etc.):**

- a. We provided food stamps in the amount 350-500 NIS to 140 underprivileged families of combat soldiers facing financial hardship from throughout Israel.

**The evaluation (methodology, results, comparisons with the precedent year, conclusions for the future...):**

According to the feedback that we get from the families and/or the commanders, all families who received food stamps would not have been able to put food on their table during the holiday, without our help.

**Provisional guidelines for the advancement of the program in the next year:**

- a. Next year we will continue to provide food stamps to families of combat soldiers in need.
  - b. Number of events: **6**
  - c. Number of participants: **App. 950 families**  
Number of beneficiaries: **about 5000 people** (for all 6 donations)

As previously discussed, when signed the agreement with Matanel Foundation, it was agreed that the list of beneficiaries is confidential due to our agreement with the IDF.
