

FAMILIES SERVED IN KIRYAT MALACHI - 2018

51 FAMILIES		
	CLIENT	REPAIRS PERFORMED
1.	Single mother	Treated mold and painted walls in kitchen
2.	Elderly woman living with 2 mentally-challenged sons. One of the sons destroyed the home. Immigrants from Ethiopia.	Home was in an extremely challenging condition. Repaired and painted walls throughout the home. Removed a broken wall between the kitchen and living room.
3.	Elderly woman and 3 grandchildren (one a soldier), immigrants from Ethiopia	Painted part of the home, replaced lighting fixtures.
4.	Old woman completely alone, immigrant from Ethiopia. Does not speak Hebrew.	Unclogged drainage in bathroom. Due to the smell, the woman had been using the neighbor's bathroom and sometimes sleeping there. A plumber had quoted NIS 3000 to unclog the drain but we did it for free. The home was completely dark – we replaced lighting fixtures.
5.	Mentally disturbed man, lives alone	Painted part of the home. Replaced tiles that were falling from the walls.
6.	Woman raising a niece like a daughter, immigrant from Ethiopia	House extremely neglected. Fixed the walls and painted.
7.	Single mother suffering from epilepsy, grown disabled son. Immigrants from Ethiopia	Repaired walls, painted the entire home.
8.	Couple + 4 children, immigrants from Ethiopia	Painted entire home, treated kitchen walls for mold, replaced electrical sockets.
9.	Woman living alone	Ceiling was wet from a leak in the neighbor's apartment. Repaired ceiling and walls and painted the home.
10.	Elderly disabled woman living with a disabled grown son. Immigrants from Ethiopia.	Dangerous, improvised fuse box; home had daily shorts. Replaced fuse box. They had not had hot water for 3 weeks. Repaired switch for hot water heater. Repaired kitchen faucet.
11.	Elderly widow	Fixed and painted walls throughout the home
12.	Elderly woman, immigrant from Ethiopia	Painted, treated moldy walls in the bathroom
13.	Orphan brothers, immigrants from Ethiopia	Repaired and painted walls throughout the home, intensive work. Replaced tiles in the kitchen, replaced lighting fixtures, installed a lighting fixture in the living room where there was no light. Cleared old rotted furniture.

14.	Elderly man, immigrant from Ethiopia, lives with his blind elderly mother	Replaced the fuse box, repaired faucets in the bathroom and kitchen, repaired switch for hot water heater
15.	Single mother + 2 children	Installed new sink and faucet in the kitchen, repaired walls, painted, replaced lighting fixtures
16.	Elderly man from Ethiopia, lives alone, partially blind	Replaced tiles in shower and kitchen. Replaced 6 lighting fixtures.
17.	Elderly woman, immigrant from Ethiopia, and grown son	Treated dark and moldy walls, painted the entire home, replaced electrical sockets, switches and lighting fixtures. A leak had caused the tiles in the kitchen to become unattached from the walls; replaced with new tiles. Replaced electrical sockets and lighting fixtures.
18.	Single, mentally- challenged mother + 3 mentally-challenged grown children, one with an "elephant leg"	Painted the entire home, treated for mold, replaced shelves, cleared broken cabinets and sourced a new cabinet.
19.	Single mother	Replaced lighting fixtures and painted entire apartment, replaced switch for hot water heater
20.	Couple, immigrants from Ethiopia	Fixed and painted walls, replaced lighting fixtures, electrical sockets and plugs
21.	Elderly man living alone	Hoarder, apartment had become a health hazard for the man and for the other residents of the building. Together with the Sahi youth group, cleared massive quantities of old clothing, furniture and trash, disinfected and painted the entire apartment, sourced new furniture (sofa, bed and breakfront from the Joseph Project), fixed severe drainage problems and cleaned and disinfected the bathroom. Return of the man to the apartment was carried out together with Kiryat Malachi's social service department.
22.	Couple + 2 children, elderly father, immigrants from Ethiopia	Due to leaks in the roof in the winter, the couple could not sleep in their bedroom when it rained, and sometimes the children would also have to sleep in the living room. The leak damaged the electricity in the kitchen, causing shorts. Tenufa fixed and sealed the leaks from the porch and the roof, painted the entire home, replaced electrical sockets and lighting fixtures.
23.	Sick, elderly couple, immigrants fro Ethiopia.	Painted entire apartment. Replaced 3 lighting fixtures and an electrical socket. Installed handrails in the shower and bathroom. Fixed an open pipe.
