

# In-School cultural programs

As part of the Merhavim activities, the eighth grade engaged in the design and creation of a selected character, art pieces that will eventually be painted on the school walls. The purpose of the activity is to combine features and values into one work. An activity that combines planning, creativity, imagination, teamwork and perseverance.

# Merchavim Program

"Merchavim" operates in the school in the eighth-twelfth grades. In each age group, students participate in unique outdoor activities, surfing, climbing, field trips, graffiti, etc.

HaGal Sheli" (My Wave) uses surfing as an educational tool and provides students with the chance to 'ride the wave' and succeed. By facing the unique forces of the sea and overcoming the challenge of surfing the students are instilled with the self-confidence and sense of achievement necessary to propel them through equivalent life challenges.

# Outdoor field trips, discovering Israel

The 7th-9th grade field trip born out of an effort to bring the students together with different parts of the country. and to discover the beauty of the North. Students visited Rosh Hanikra on the border with Lebanon, Gan Hanadiv in Zichron Yaacov, Elroy Spring, Shlomi near Maalot. They saw different colors, spring water, Mediterranean sea water, flowers, thorns, old railway tracks and trains traveling on new tracks.

# Yad Zahav

Students adopted the nursing home in the Katamon neighborhood: renovated the garden, planted seedlings, baked cakes, prepared holiday packages for the elderly, came to visit and sang for them.

## Ceremonies for the 'Holocaust remembrance Day' and for the 'Memorial Day for the Fallen Soldiers of the Wars of Israel and Victims of Actions of Terrorism'

The school held the memorial service for the victims of the Israeli military operations. Staff, students, alumni, we all dedicated ourselves to the memory of the fallen. Later in the day, students attended a lecture on the story of the The Hadassah convoy massacre .

# Other enrichment programs

## Visiting Israel Museum

The "Nofi-Guf" exhibition combines artworks in a variety of media with historical sources, points out the connections between the human body and nature, and presents the descriptions of the human body as a measure of all things. Students are encouraged to examine the boundaries of body and mind and their relation to social and political issues.

## Educational tour of the Jerusalem Market "Machane Yehuda"

## End of the Year Party

At the end of the exciting and festive evening, an evening where the graduation party of the 22nd cycle took place, a student came on stage, a student who usually does not tend to stand out, and started singing, on his own initiative, at the end of the party, just before saying goodbye...Perhaps a gift for the years of study at Kedma, the attitude of the staff, the love of the escorts, a meeting with friends, the result of close, embracing, supportive and demanding accompaniment.

The music students in the school do not stop working hard, amazing us and surprising us. They released two celebratory clips this year, led by their music teacher Guy Cohen. The first clip "Beginning Anew" (We start again) came out when students return to school after the long period of lockdown, in hopes of new and better days. With their second clip, "My Heart", students participated in a Ministry of Education video clip competition. In addition, the students participated in a young ensemble competition with 30 schools in Jerusalem, they performed in one of the most prestigious music clubs in the field of music in the country and won third place!
