

# The “Day After”: Preventing Aid from Going to Terror

## *2025 Evaluation Report for Matanel Foundation*

NGO Monitor evaluated the success of the project based on the following quantitative and qualitative factors:	2025 Results
A. Number of parliamentary questions, sessions, hearings, briefings, and meetings in relevant committees in the target region.	<ol style="list-style-type: none"> <li>1. 24 MPs asked 19 parliamentary questions based on our research.</li> <li>2. NGO Monitor participated in 18 briefings and parliamentary hearings.</li> <li>3. Our representatives met face-to-face with many dozens of European MPs and officials.</li> </ol>
B. The substantive and concrete policy changes, amendments, and legislative/administrative adjustments to existing mechanisms in place in each of the targeted countries.	<ol style="list-style-type: none"> <li>1. Sweden changed its selection process for NGOs supported under its Humanitarian Strategy.</li> <li>2. The Dutch Parliament passed a resolution to condition funding and increase transparency and accountability.</li> <li>3. Sweden ended its partnerships with Save the Children, Oxfam, World Vision, and the Ecumenical Accompaniment Program in Palestine Israel (EAPPI). It also set the Human Rights Programme of</li> </ol>

	<p>the Palestinian NGO Development Center to conclude in 2026.</p> <p>4. Germany ended its funding to the radical Israeli NGOs Zochrot and New Profile, and the Palestinian NGO Miftah.</p>
<p>C. Number of partner organizations that adopt this issue and incorporate it into their regular activities in the target region.</p>	<p>1. NGO Monitor worked with 48 pro-Israel organizations with activities across Europe, including 34 in the project's target countries. The entire network disseminated materials and communicated to their constituents about our issues.</p> <p>2. Eight organizations in 6 countries led campaigns to publicize and leverage our "Hamas Documents" report.</p> <p>3. We worked with our partners to arrange 15 trips by NGO Monitor senior representatives to the targeted countries. On each trip, we spoke at the country's Parliament, briefed executive government branches and relevant committees, and networked with pro-Israel activists.</p> <p>4. Throughout the year, we provided customized research to partner organizations, at their request.</p>
<p>Media coverage in targeted countries.</p>	<p>1. In the target region, our work was discussed in 105 written (print and online) media reports, op-eds, and prominent blogs.</p> <p>2. Our staff participated in 8 television, radio, and prominent podcast interviews.</p>
