

# THANK YOU LETTERS

"Thank you for bringing light back into my life... I feel so much better, and now I can look forward to a better and brighter future. Your workers were so professional – they focused on the task at hand and did such a beautiful job. At the same time, they were so considerate and kind. They even took out the trash for me!"

"There is no one like Moti, Yarín and Irit, the Social Worker. You are truly rebuilding lives, it is a gift from heaven. I simply have no words to express the deep gratitude I have ... you have made my heart so happy."

**R, from Kiryat Malachi, is deaf, and has been wheelchair bound for over a year**

"I want to thank you from the bottom of my heart for the wonderful and dedicated help you gave me. Thanks to you, the walls in my home were repaired and fixed up – and now the whole place feels brighter and more pleasant and comfortable. You did your work with such warmth, kindness, and incredible patience....."

It was truly a pleasure to see such young people with big hearts and a genuine desire to help – without expecting anything in return. A big shout-out to you and everyone involved in Tenufa Bakehila – may you be blessed for your initiative, generosity, and humanity. Thank you so much!"
